Recruit, screen, and manage employee compliance in one, easy-to-use platform

Software Overview

Foley's Dash platform makes hiring & onboarding simple by providing safety-sensitive companies a single place to manage candidate recruiting, screening, and hiring. The solution provides powerful tools that increase applicant flow, gives real-time insights into screening status, and allows for a seamless transition from new applicant to full-time employee. Improve time to hire while maintaining screening and compliance standards with Dash.

Key Benefits

☑ **Increase # of Applicants** with software that streamlines work for both the hiring team and the candidates

☑ **Create and Manage Job Postings,** generate customized links for popular job boards, and hire the best drivers and employees

☑ **Simplify the Candidate Experience** with a mobile-friendly short-form application. Candidates simply take a photo of both sides of their driver's license to get started

☑ **Stay Compliant** with Foley's electronic employee management system that ensures compliance with regulations, such as DOT and FCRA, to stay audit-ready and reduce risk

☑ **Reduce Costs** that come with tedious work and slow hiring processes. Take advantage of phased screening options that optimize costs, compliance, and safety

☑ **Manage Multiple Locations** from one platform that makes tracking and organization easy

☑ **Gain Visibility** with fast screening results and access up-to-date documentation for every single candidate
